Franklin Country Day Camp

Everyday at Franklin Country Day Camp we do something new. There is boating, a pool where we swim and tons more. Franklin Country Day Camp has so many activities. When I go home I am so tired I go to bed. The counselors are great. They are so understanding that kids do not cry or don't give a fit about going to camp; everyday. In fact, I wish I could go to this camp for a month. I usually hate going to camp and going places for a couple of hours, but not this camp. It's really fun. Franklin Country Day Camp is really, really fun. I have so many thoughts on my mind I can't fit all of them on this page. If it starts to rain or thunder, they always have a backup plan. Franklin Country Day Camp is nice and big so you can play around all day. Franklin Country Day camp has lots of trees that makes it really shady so we don't get really hot around Franklin Country Day Camp. I wish Franklin Country Day Camp were open all year around. I think if someone had a contest of who earns the best camp award, they would win.
